About Us...

Atlantis Banquets was established in 1976, providing courteous, efficient service and fine food for any occasion: wedding receptions, anniversaries, meetings, breakfasts, lunches, dinners, specials parties and more.

Guarantee Policy

The minimum guarantee is the smallest number of guest for with a room may be contracted. It is used to figure the minimum amount you will be billed.

Two weeks before your party, we request that you come in to go over floor plans and seating arrangements.

You should have a preliminary serving count ready at this time. Please contact us to update your count a week prior to your party and again **3 days before**. At this time, Atlantis Banquets will consider your serving count as final and not subject to reduction. Please keep in mind that if band members are to eat, they should be included in the serving count. If they are to drink only, add \$12.00 for each member. **The serving count** is essential to determine several factors: the number of meals prepared and place setting arrangement, the number of waitresses and bartenders scheduled and, of course the amount you are billed.

A deposit is required for all parties upon approval contract. And additional 20% deposit is due 6 months prior to the function. The balance due is payable 48 hours before the day of your party.

We accept cash cashier's checks, money orders, and credit cards. Personal checks are only accepted if received 3 weeks before your party.

All deposits are NON-REFUNDABLE

DAMAGES

The person signing the contract will be responsible for any damage done to the premises by any member of their party
